

Press release of Ministry of Martyrs and Disabled Affairs related to car bomb explosion and rockets attack on Sayeedul Shuhadah School in west of Kabul

With great unfortunate and regret, the enemies of Afghan people had rockets attack and car bomb explosion at Syeedul Shuhada School in Dasht-e-Barche, which martyred and wounded many students of this education center. So, this deadly event shows the misery of perpetrators. MMD while express condolences and sympathy for victim's family, wished paradise for martyrs and rapid recovery for injured people of this evil event.

Moreover, MMD stated that attaching on public places and educational centers which its victims are children, women and civilians are not in Islamic and humanitarian rule and principles.

MMD always wanted from terrorist groups to use from provision opportunity in peace process and abandon the war and violence, because the war and violence couldn't give eligibility for their goals.

MMD is deeply regretful from this incident which the victims are misery children and condolence with victim's families in Qadar Nights of Ramadan and wishes paradise for martyrs and quick recovery for wounded people.
